St. John the Baptist Parent Buddy System

The Saint John's School Parent Buddy system is designed for incoming and transfer families who are new to Saint John the Baptist School so that they can become familiar with all aspects of our school. It can be very overwhelming for parents and students to attend a new school. With such busy lives we all may miss important details about school events or deadlines. In order to make things a little easier, parent buddies will touch base with new parents and give details about important dates, answer questions and assist with any special concerns. Parent Buddies are only a phone call away.

We would like to have the parent buddies help you and your child in the transition to Saint John the Baptist. We will try and match a parent that has a child in your grade and maybe even their class. It is very overwhelming for parents and students to attend a new school and we want to make you all feel welcome. Remember you are always welcome and encouraged to attend our PTO meetings to keep you informed of the many school events. Our first PTO meeting is on September 15 in the school library at 7:00 pm.

If you are interested in having a parent buddy, please let me know, Dianne Full, PTO President, 978-210-3339 or email me at diannefull60@yahoo.com

Sincerely,
Dianne Full
