Dear Parents,

On Friday, December 2, Mrs. Maureen Crowley Heil, the Holy Childhood Coordinator, came and spoke to all the classes explaining what the Holy Childhood Association does for those who are suffering from poverty in our world. The students were given a bank; they were asked to do their best to help those who are very much in need of assistance. We would ask that the banks be returned starting the week of December 19. We would like to have all banks returned by December 22 in order to have these funds sent to the Holy Childhood Association. In advance thank you for your kind cooperation with this project.
