

Staff Appreciation

Dear Parents,

It is the time of the year for giving and we would like to give something to the staff that works so hard all year long to make our school run smoothly. We are planning on giving each staff member a gift card for their tireless work. We are asking each family to give a few dollars toward the gift cards.

Librarian
Nurse
Custodial Team
Office Staff
Lunch Staff
& Others

If you could send this in next week attention to the PTO that would be greatly appreciated. We are planning a staff appreciation luncheon on Tuesday, January 31st.

Thank you!

PTO
