

Principal of the Day

Hello fellow students my name is Sam Silvestro from 4A and I will be your principal at Saint John's School on Wednesday February 8th. I am very excited to see what it's like to be the Principal! Although I know that I probably can't change the school rules and we will still have to do school work... I am excited to offer all students a NUT Day.

We all know we have to earn our Nut days and we always help others in doing so. For this Nut Day I would like to help people in our community who do not often get out of their homes or they seldom have visitors. To brighten their day, I am asking that each of you bring in a homemade Valentine's Day card on February 8th. It is sure to bring a smile to the person who receives it! Cards will be collected in your classroom and for your efforts you can wear NO Uniform!

Please remember to say Hi to me on the 8th!

Your 2012 "Principal of The Day",
Sam Silvestro
