

February 1, 2012

Dear Parents,

On January 18, 2012 we sent a notice, via email and the Wednesday Weeklies, asking parents to complete an online survey. The link was provided in the email. To date some parents have completed the survey but we need all parents to complete it. We ask your cooperation in completing it by Thursday, February 16. This will provide necessary information as we are in the process of our NEASC evaluation. If you did not receive the link, please contact Sue Vassallo at (978) 531-0444 x343.

We thank those who have completed the survey and thank those who will be completing it for their assistance.

Sincerely,

Maureen Kelleher
