

Grandparents/Special Friends Day Information

2/15/12

Dear Parents,

Coming up on Friday, March 9, 2012 is our Grandparents/Special Friends Day at St. John School. This is an 11:45 am dismissal day. No busses.

Each St. John's family may have a maximum of four adults visit us on March 9th. This limitation is necessary due to the number of students in our school. If your child's grandparents are unable to attend, we welcome Godparents, aunts, uncles etc. but PLEASE keep the number to 4 visitors per family. If your guests bring the children to school in the morning, please inform them about our drop off procedure and remind them that doors will open for grandparents/special friends at 9:00 am.

Remember this is a day for your children to have relatives or close family friends visit them. There are other occasions during the year that give you, as parents, an opportunity to visit your children.

After vacation we will send home four invitations that you can send to your child's guests.

We look forward to a wonderful morning.

Thank you
The Grandparents/Special Friends Committee
