

# St. John the Baptist School 2012 “Taste of New England” Auction

Dear Parents,

Please save the date of **Saturday, March 24, 2012** for our school Auction. The Auction begins at 6pm and is held in our school gym. We hope you can join us for this fun evening. As always, your participation is crucial to the success of our fundraising events at St. John’s.

Back by popular demand will be the food tasting from area restaurants followed by the Live Auction.

If you would like to donate a new item, gift certificate, sporting event tickets or a service for use in either our Silent or Live Auction, please call the school Advancement Office. **These donations will count toward volunteer hours!**

This is also a great volunteer opportunity.

Watch your mail for your invitation to this event!

Thank you  
Kathy Trainor
