Re: Tuition Agreements for school year 2012-2013

Please check your oldest child's backpack this week for your 2012-2013 Tuition Agreements. These were sent home on Tuesday, January 10<sup>th</sup>.

There is a letter that accompanies these tuition agreements that explains the re-application process. This process has not changed since last year . The tuition has also changed but the School Board has worked very hard at keeping the tuition at St. John's as affordable as possible during these difficult economic times.

The signed copy of your tuition agreement and re-application fee for all students and the instructional fee for your oldest child are due back by Friday, January 27th.

Thank you for your attention to this matter.
