Dear Parents:

Please note that signed Tuition Agreements for school year 2012-2013 are due to the school by Friday, January 27.

Please enclose the Re-registration fee for **each** child and the Instructional Fee for your **oldest** child when returning the Tuition Agreement to school. The next Instructional Fee for your next oldest child is due March 1, the next Instructional Fee for your third oldest child is due April 1 etc.....

Sending in your Tuition Agreement in time will ensure placement for your child in the upcoming 2012-2013 school year.

If you are planning on enrolling any siblings not listed on your Tuition Agreement please let us know so we can accommodate their placement.

If you are planning to not send your child to St. Johns next year, please let us know so we may accommodate the placement of any new incoming students.

Thank you,

Lisa Gagliano,
Business Office
