

November 30, 2011

Dear Parents:

We will be having an Open House on Wednesday, December 7th, for new students entering in September, 2012. Our focus will primarily be on new Preschool, Pre-Kindergarten, and Kindergarten students. Of course, students who currently attend and siblings of current students are given priority, but we need to be aware of your intentions so we can hold the place for your child/children. It is not necessary for you to attend the Open House unless you would like to.

If you have a child who is not currently enrolled, or you have a child currently enrolled in our Preschool or Pre-Kindergarten program, please fill out the information below stating what grade you are considering enrolling your child in for 2012-2013 and return to my attention at school by Friday, December 16th. This is not **re-registration** (that will be in January for current students in all grades), just an intention so we know how many children that we can accept at our Open Houses.

Please feel free to call me with any questions at (978) 531-0444 x340.

Thank you,

Kathy Trainor
