

Dear Parents,

Collecting Box Tops is a great way to make money for our school and it only requires a few minutes here and there to clip box top logos off participating products, save them and send them in to school.

For every Box Top collected, St. John's earns 10 cents!

You would be surprised at how fast they can really add up. Ask family members, friends, neighbors and/or even co-workers to join you in the collection. So please start clipping and sending in those Box Tops whenever you see them.

Thanks in advance for your time and effort. If you would like to help out, please contact one of me. It is a great way to earn volunteer hours as well!

Thank you,
Diane Fabbo @ dmfabbo@comcast.net

About Box Tops

- Box Tops for Education™ is one of the nation's largest programs that helps schools
- Over 90,000 K-8th grade schools are enrolled in the program
- Enrolled schools have earned \$600+ million since the program began in 1996
- Over 250 participating Box Tops products including apparel, food, paper products and produce

How Box Tops Works

- Every Box Tops clip is worth 10 cents
- A volunteer Coordinator leads the program at each school
- Schools can receive two checks every school year. One check in December and one check in April
- Money earned can be used by schools to buy books, sports equipment, supplies, uniforms or anything they need
