

## 2018-2019 "Buy A Brick" Program

### Parents,

By popular demand our "Buy A Brick" campaign is continuing. This campaign was very successful last year. We are sure many of you have noticed the newly engraved bricks in front of our gym doors. These bricks make great Christmas, First Communion, **Mother's Day**, birthday and **graduation** presents. Please place your orders during this school year. The bricks will be in place, at the location of your choice, over the summer of 2019. Please see the bottom section of this form for more information.

- 4x8 Bricks** in front of school (gym doors) and parish center: **\$100 each**  
15 characters per line maximum, including spaces. Three lines allowed on brick.
