***St. John Chrysostom***

Welcome to St. John the Baptist School! In choosing St. John’s School, you have demonstrated a commitment to the values and philosophy of a Catholic education.

The faculty and staff of our school look forward to working with you to promote academic excellence and spiritual development in the context of the teachings of the Catholic Church.

Together let us pray that God, who has begun this good work in us, may carry it through to completion.

**MISSION STATEMENT**

**Saint John the Baptist School is dedicated to  
providing a quality Catholic education  
that encourages its community to be life-long  
learners and leaders,  
to live their faith with high moral standards,  
and to grow academically, spiritually, and socially.**

## **PHILOSOPHY**

In 1893, the Sisters of Notre Dame opened St. John the Baptist School to educate the children of the parish. Today, St. John's continues to provide a quality Catholic education for students in Pre-Kindergarten through grade eight from our parish and several other North Shore communities.

The philosophy of St. John's stresses the development of the whole child, the nurturing and strengthening of the gifts of faith and intellect and the development of social responsibility. We, at St. John's, are committed to educating our children to be men and women of faith, not only aware of the world in which they live, but also prepared and motivated to improve the world for all people. Faith, and the growth of our relationship with God, demands both the teaching of Catholic doctrine and the experience of a faith community. We strive toward the development of the faith community, not only as a concept to be taught, but also as a reality to be lived.

Intellectual achievement is the reason for any school to exist. At St. John's we respect the developmental stages and learning style of each child to create an atmosphere of success that cultivates a positive self-image and allows each child to grow spiritually as well as academically. We expect, encourage and applaud each child's best work in order to affect the full development of his or her potential.

As a parent at St. John's you are in a unique position to become involved in your child's education. All families are required to donate fifteen hours of their time each school year. Families are urged to put some of these required hours into committees that are formed for school events. Parents are able to fulfill this requirement in a variety of areas. We welcome you to take an active role, not only in your child's future, but also the future of St. John the Baptist School.

### **Parent's Role in Education**

We, at St. John the Baptist School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually,

emotionally, and psychologically. Your choice of St. John's School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church and school community will affect the way your child relates to others. Ideals taught in school are not well rooted in the child unless they are nurtured at home. Once you have chosen to enter into a partnership with us at St. John the Baptist School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging and yet nourishing the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence. Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

### **Parents As Partners**

As partners in the educational process at St. John's School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights
- Arrives at school on time and is picked up on time at the end of the day
- Is dressed according to the school dress code
- Completes assignments on time

We also ask parents:

- To actively participate in school activities such as parent-teacher conferences and volunteerism.
- To share their time and talent with the St. John's community.
- To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student.
- To notify the school with a written note when the student has been absent or tardy
- To notify the school office of any changes of address or important phone numbers.
- To meet all financial obligations to the school.
- To inform the school of any special situation regarding the student's well-being, safety, and health.
- To complete and return to school any requested information promptly.
- To read school notes and newsletters and to show interest in the student's total education.
- To support the religious and educational goals of the school.
- To support and cooperate with the discipline policy of the school.
- To treat teachers with respect and courtesy in discussing student problems.

## ATTENDANCE

1. When absence is necessary, the parent or guardian should notify the school before 8:15 a.m. (978-531-0444) stating the reason for the student's absence. Please follow the voice mail instruction for reporting absent students.
2. Parent or guardian must send in a note to the homeroom teacher when the student returns to school giving name, date, days of absence, and reason for absence. Homeroom teacher will keep all notes on file for the current school year.
3. The student should make immediate plans to do all make-up work due to absence. Grades will reflect absence if the work is not made up.
4. If absence is due to work, travel, or some other planned reason, parent or guardian should notify the school prior to the absence in writing.
5. Appointments with doctors should be made out of school hours or during vacation. Early dismissals should not be requested, except in cases of emergency.
6. All vacations should coincide with school vacations.

Teachers **will not** plan work for students taking unscheduled vacations. Major tests must be taken within five days of return. Students will receive a zero for missed assignments.

7. It is expected that if a child is well enough to attend school, he or she is well enough to go out to recess and should be appropriately attired.
8. State Law: The only reasons for being absent from school are those caused by personal illness, death in the family, religious holidays and court appearances.

Daily and regular attendance is the key to success. Irregular attendance and chronic tardiness plays havoc with the academic achievement of the students. Every effort should be made by parents to see that the child is in school on time each day. St. John's School operates on a one-session basis. Anyone attending school for less than three hours on a given day is considered absent for the day. Absence in excess of 27 days (15%) without documentation could result in retention.

***\*\*In order for children to participate in a school program, they should be in relatively good health.\*\****

***\*\* Children who have been out of school sick must be "fever free" for 24 hours. before returning to school.\*\****

***\*\*Children who are sick (vomited, registered a fever or been sick overnight) must remain at home for a minimum of 24 hrs. before returning to school.\*\****

## **ACCREDITATION**

## **ADJUSTMENT COUNSELOR**

A school adjustment counselor is on premises two days a week. The counselor is available at other times through scheduled appointments. The counselor may see a student for up to three times without notification and consent. After the third visit, parents will be notified. If serious concerns exist, parents will be promptly notified.

Counseling Services are provided by: Clinicians of New Beginnings Counseling Service P.C. Stoneham, MA (NBCS).

## **ADMISSIONS**

## ***NONDISCRIMINATORY POLICY***

St. John the Baptist School admits students of any race, color, creed and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the school. It does not discriminate on the basis of race, color, creed, national or ethnic origin in the administration of its educational policies, admissions policies, or athletic and other school-administered programs.

## **ADVANCEMENT ACTIVITIES AND PARENTAL INVOLVEMENT**

In order to provide an educational program at St. John's, it is necessary for the school community to participate in a comprehensive advancement program. Tuition alone does not cover the cost of education. All the activities are dependent on parent participation for their success and all programs have been very successful and assist the school in managing a sizable budget. Your participation in these activities is vital to the advancement program. Parents are encouraged to participate in all activities. It is necessary for you to evaluate your own circumstances in deciding how you are able to participate.

Parents are expected to participate in the MUSICAL, WALK-A-THON and RAFFLE CALENDARS as stated on the Tuition Agreement signed in January. Our experience tells us that all the events are fun, exciting and profitable both personally and school-wide.

### **Advancement Activities for 2015/2016:**

#### **THE ANNUAL FUND: ON GOING**

St. John's School initiated an Annual Fund giving program. In our inaugural year the Annual Fund yielded \$40,000. The Annual Fund offers many people a vehicle to contribute to educational endeavors. The Annual Fund accepts contributions on a yearly basis from all friends of St. John's. Information is sent to families, parishioners and graduates. Thousands of men and women have graduated from St. John's School and are grateful for the education that was given to them through the sacrifices and gifts of family friends and parishioners of St. John's. Through the generosity of many, St. John the Baptist School will continue to offer quality education in our Catholic School environment.

### **WALK-A-THON: SEPTEMBER 28, 2015**

This fundraiser is one of our most popular with the students. A commitment of \$25.00 for each family was included in your tuition this year. However, we hope that each family will sponsor their children's laps with additional contributions. This money can be gathered in several ways: Students can ask relatives, friends and neighbors to sponsor them by lap or a lump-sum donation; students can contribute half the money and the parents can match them. Creativity in gathering sponsors assists parents in fulfilling this responsibility. Students in grades 1-8 will walk at Emerson Park. Students in Kindergarten and Pre-K will walk around the school. The Walk-a-thon Guide gives details of the process. This fund-raiser is a major one for the school. Many families try to raise more than the minimum. This fund-raiser also requires the children to be very active and participate. It is not just the parents' responsibility.

### **HALLOWEEN 5K FUN RUN/WALK**

8am starting time

We are having our second annual 5K this coming October. The starting area will be the St. John School parking lot. You can run or walk the route! All ages can participate.

### **RAFFLE CALENDARS: STUBS AND MONEY TO BE RETURNED BY DECEMBER 15, 2015**

Beginning in September we will kick-off our 2016 Raffle Calendar fundraiser. These calendars have \$18,000 in prizes. Calendars are \$20 each and *every family is responsible to sell 10*. There is a prize for every day of ten months of 2016 ranging from \$35-\$500 in cash prizes. (No prizes are drawn in July and August) If your name is drawn it will be reentered to win more prizes. Winners will be notified by mail and names will also be printed in the church bulletin as well as our school website, [www.stjohns-peabody.com](http://www.stjohns-peabody.com)

### **TALENT SHOW: FEBRUARY 5, 2016**

Students in grades 5-8 may participate. This is the last event held during our annual Catholic Schools Week activities.

### **NEW FUNDRAISING EVENT-STAYED TUNED: MARCH 19, 2016**

### **MUSICAL: May 5 and 6, 2016**

Each year St. John's School produces a musical. Our music department, director Kristen Bennett, and a large cast of 400 plus children provide two wonderful nights of entertainment. To make this musical the marvelous fundraiser that it is, takes a

lot of work. A musical ad book is a major component of this fundraiser. A committee of volunteers coordinates the gathering and tallying of ads, compiles the ad book and sells tickets to each performance. Each family's commitment of \$25.00 was included in your tuition. We encourage our SJS families to solicit additional contributions from the businesses you support throughout the year with your patronage or consider your own personal ad!. A 1/8 ad for the musical book is \$35.00. Several families complete this requirement by getting an ad from local merchants and vendors. Again, this is a major fundraiser (approx. \$23,000). The participation from each family enables this event to be a success.

## **ANTI-BULLYING POLICY**

### **St. John the Baptist School – Anti-Bullying Policy**

Everyone at St. John the Baptist School is committed to making our school a safe and caring place for all students. We will treat each other with respect, and we will refuse to tolerate bullying in any form at our school.

Each child should be challenged to reach his/her full potential develop a love of learning and learn in an environment that fosters respect and understanding of one another. It is essential that a safe, positive and productive educational environment be established where students can achieve the highest academic standards and where no student shall be subjected to bullying, cyber-bullying or retaliation. Bullying, cyber-bullying or retaliation or other like disruptive or violent behaviors constitute conduct that affects both a student's ability to learn and a school's ability to educate its students in a safe and embracing environment.

Our school defines bullying as follows: Bullying is unfair and one-sided. It happens when someone keeps hurting, frightening, threatening or leaving someone out on purpose.

**“Bullying” is the repeated use by one or more students of a written, verbal, or electronic expression, or a physical act or gesture, or any combination thereof, directed at another student(s).**

“Hostile Environment” means a situation in which bullying causes the school environment to be permeated with intimidation, ridicule or insult that is sufficiently severe or pervasive to alter the conditions of the student’s education.

**Staff at our school will do the following things to prevent bullying and help children feel safe at school:**

**BUS REGULATIONS**

Bus Regulations and Discipline Policy

The city of Peabody has established bus regulations that we must follow: **NO PASS/ NO RIDE**. All students must ride the school bus to which they have been assigned. Students must show their bus pass to the driver when boarding the bus in the morning and the afternoon.

Do not allow other students to use your pass. All students must have signed up for the bus through the City of Peabody School Transportation Department. If you have any questions, please call the Transportation Department at 978-536-6581.

You will now have to provide for private transportation when a “play date” is arranged. Students will no longer be allowed to ride home on a bus other than the one to which they are assigned. No student living out of Peabody will be permitted to ride the school bus.

Students should behave appropriately and safely while on a school bus. It is not acceptable for student behavior to interfere with driver’s focus or prevent other children from having safe transportation.

1. Students must remain seated until the bus has reached its destination.
2. Students will follow the directions given by the bus driver.
3. Hands, arms, heads and personal belongings must be kept away from open windows.
4. No pushing, shoving, spitting, cutting, screaming or fighting at any time.
5. No eating or drinking on the bus.
6. Respect other students on the bus at all times, especially younger children.
7. Middle School students serve as bus monitors to and from school.

Students who demonstrate inappropriate behavior while riding the bus will be disciplined in the following way:

- First Incident – The child will be referred to the principal and his or her parents will be contacted.
- Second Incident – The child will be suspended from the bus.
- Third Incident – Bus transportation for the child will be terminated.

Physical harm or threat of physical harm to another student, property damage, or refusal to obey a driver will result in automatic dismissal from the bus.

### **CELL PHONE POLICY**

It is preferred that students do not bring cell phones to school. If it is a necessity to have a phone then the student **must** give the cell phone to the teacher at the beginning of the day and pick it up at the end of the day. The phone being used cannot be with the student or in the student’s backpack. Any unauthorized cell phone will be taken away, and must be picked up by the parent or guardian in the principal’s office. The student will also lose the privilege of having a cell phone in school.

Cell phone use by students is prohibited on school property: before, during or after school. Violation of this rule will result in termination of the privilege.

## **CHEATING**

Whether a student gives or receives information during an examination or any assignments, the offense is the same. No credit will be given for the examination or assignment and the work cannot be resubmitted for credit. This behavior is subject to detention.

To **plagiarize** is defined in the Merriam-Webster Dictionary as, “1. To steal and pass off (the ideas or words of another) as one's own; 2. To use (another's production) without crediting the source; 3. To commit literary theft : present as new and original an idea or product derived from an existing source.”

Plagiarism is cheating. It is illegal and the consequences will reflect the seriousness of this offense. Any work that is used without being cited will result in detention. No credit will be given for the work. The work cannot be resubmitted.

## **COMPUTER USAGE AND STUDENT EXPECTATIONS**

The network is provided for students to conduct research. Access to network services is given to students who agree to act in a considerate and responsible manner. Individual users of the school computer network are responsible for their behavior and communications over the network. It is presumed that users will comply with school standards and will honor the agreements they have signed. It is expected that students will not access sites with objectionable material. The school is not responsible for restricting, monitoring, or controlling the communications of the individuals utilizing the network.

Within reason, freedom of speech and access to information will be honored. During school hours, teachers will guide students toward appropriate materials. Students may be disciplined for any online behavior that negatively affects the school atmosphere whether in school or off-campus. Students are legally responsible for their online communications. **Parents should always monitor children when they are online to ensure that their safety and well being are not compromised.**

Violations such as the following may result in a loss of access as well as other disciplinary or legal action:

- Sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, insulting or attacking others
- Damaging computer systems or computer networks
- Violating copyright laws
- Using another's password
- Trespassing in another's folder, work or files

- Employing the network for commercial purposes
- Posting of photographs, videos or anything detrimental to the school community

It is necessary for parents and students to sign and return to school, the User Agreement sheet to have access to the school network. The User Agreement form is on the Handbook return sheet.

## **DISCIPLINE**

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlines the whole education structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

## **DRUG, TOBACCO/ALCOHOL POLICY**

Drugs/alcohol represent a danger to any child's health and well-being.

The purpose of this policy is both to dissuade and deter students from drug/alcohol involvement and to respond to students who are involved with drugs or alcohol in the effective and productive manner.

There are two basic kinds of involvement with drugs or alcohol. They are possession and selling. The school's response to both of these offenses should be in three parts, which includes: school discipline, police involvement and counseling. The cost of counseling will be the responsibility of the parents or guardian.

## **EXTRA-CURRICULAR ACTIVITIES**

The extra-curricular and athletic programs are designed to give students an opportunity to perform and develop his/her natural abilities. Participation in any activity is contingent on compliance to school expectations in academics and behavior.

1. Any student in non-compliance of academic or behavior expectations is subject to suspension from extra-curricular activities upon review by the faculty and administration.
2. Students who do not attend school on a given day are not eligible to participate in any after school activity on that day unless they have an excused absence from the principal (e.g. doctor or dentist appointment).
3. Anyone damaging school property (home or away) will be suspended from any school activity.
4. No activities are to be held during vacation periods, days off or long weekends unless special approval has been obtained from the principal.
5. All permission slips, fees and doctor's notes (if required) must be submitted to the Athletic Director prior to the start of the activity.
6. In athletic activities, all team members are responsible for their uniforms that they will be given for the season. Uniforms should be turned in one week following the

last game of the season. If a uniform is lost or damaged that student will reimburse the school.

7. If a student wishes to withdraw from the activity, the advisor or coach should be notified who in turn will notify the principal.

## **REPORT CARDS**

Report cards are issued two or three times a year depending on your child's grade. K and Grade 1 issue report cards twice a year and Grades 2, 3, and 4 issue report cards three times a year. Teachers will speak to parents/guardians on an individual basis if a problem needs to be discussed.

## **SCHOOL BOARD**

St. John's School Board consists of parents and parish members who are advisors to the Pastor and the school administration. The School Board encourages participation of all families in school life and development. The School Board committee structure provides

### **STAYING AFTER SCHOOL**

If the student is required to stay after school for any reason, he/she will be given time to notify parent or guardian a day ahead of time. Students may be picked up at the library door at the assigned time.

Due to the large number of students involved in extracurricular activities, the school cannot supervise the siblings of students who are waiting for a brother or sister to finish. Alternative arrangements for their transportation and care must be made. Students not picked up by 3:00 p.m. will be sent to the extended day program and a fee will be assessed.

### **SUSPENSION**

Suspension is defined as a temporary dismissal of a student from the school for 10 days or less. Suspension is in the jurisdiction of the school principal. It is used only after the

school personnel have made reasonable efforts to assist the student in adjusting to the social and academic requirements of the school environment.

A conference with the student, the parents or guardians, principal will accompany any suspension. A written record of the reasons for suspension, the date, important information regarding conferences and the process for re-entry will be kept on file.

Behaviors which may warrant suspension include: fighting, assault of another person, bullying, vandalism and/or destruction of school property, possession of weapons, possession or distribution of drugs and/or alcohol.

Please remember that parents should always speak to the classroom teacher if there are questions or concerns. Administration should only be contacted after the issue has been addressed with the classroom teacher first.

## **TELEPHONE CALLS**

Students will be allowed to make a telephone call from school for **emergency** reasons only. In case of sickness or accident the school office or nurse will notify the parents, or an authorized person.
