Dear Parents and Guardians,

We are required by the Massachusetts Department of Public Health to obtain copies of the Health Information Form/Comprehensive Physical Examination Report for children entering the 4th grade and the 8th grade, as well as, all students new to St. John the Baptist School. If this information does not pertain to your child please disregard this letter. However, if your child is entering the 4th grade, entering the 8th grade, or new to the school, please check with the child's doctor and send a copy of the child's updated physical to the school nurse.

Many thanks for your help.
