

**PTO VOLUNTEER OPPORTUNITIES  
For 2016-2017 School Year**

Remember your children and you will always directly benefit from your involvement so please volunteer today. The PTO provides financial support to the school by helping to ensure the children at St. John's can go on field trips, have in school activities, have up to date technology, we help fund the Patricia Burque Memorial scholarship, and help out with funds for the 8<sup>th</sup> grade class night. The funds needed for each year is around \$15,000 depending on the field trips and needs of the school.

Volunteering is fun! There will be many events throughout the school year. If you are interested in helping, please let us know. Our activities for the 2016-2017 are in the planning stages. More details will be available at the start of school.
