

RELIGION

Purpose: Our religion program is to help the students know and develop a relationship with our all-loving Trinitarian God: the Father, Son, and Holy Spirit. They learn to celebrate being Christians and are given the tools to live as followers of Christ in this most demanding world. The program allows for a variety of prayer experiences, reading and understanding scripture, understanding and reception of the sacraments and the life-giving grace that they afford us.

Overview: across the grades levels, introduces, refines, and masters the following:

- Church doctrine.
