Dear St. John the Baptist School Families,

A group of foreign exchange students from Seoul, South Korea are coming to attend a short, academic, immersion program at St. John the Baptist School this coming winter, January 10-31, 2019. We are looking for families interested in welcoming a child into their home and hosting the international student for 3-weeks.

The students range from 4th to 8th grade, each of which is in need of a host family. Current families with students already enrolled at St. John the Baptist school are preferred for ease of commuting.

Volunteering to be a host family is a 3-week commitment from January 10-31, 2019. Host families will receive a weekly stipend of \$250.00/wk/student for providing room and board (including 3-meals a day and transportation to/from school).

Becoming a host family is such a wonderful opportunity to share cultures and build lasting friendships. Host families will also have support throughout the program. As the head administrator, I provide orientation, training, regular check-ins, and on-call support. I also have my local staff to help with group events and provide additional assistance to host families and exchange students.

Please send Kathy Trainor an email at ktrainor@stjohns-peabody.com or call her at school, ext 340 if you are interested in opening up your home to 1 or more students. We would be more than happy to answer any questions you may have and can provide references.

Thank you!
