

KINDERGARTEN – GRADE 2 Beginner Basketball Clinic

Join us for our inaugural K- Grade 2 Basketball Clinic. This program is geared towards children who have no to limited experience playing basketball. Over the five weeks, participants will learn how to properly dribble, pass, play defense and shoot. Each session will provide skill development and fun interactive games to put their newly learned skills to use! The session is **\$40** for the four weeks and payment can be made to St. John the Baptist School and all registration fees will support the athletic department. All sessions are on Saturday morning starting at 9am in the Gymnasium. On the last session we will have a recognition ceremony for all participants!
