

April 2019

Dear Parents:

We are counting on the weather cooperating and have determined that Wednesday, June 12 will be our last day of school this year. This will be a half day session and dismissal at 11:30. All students will wear dress uniforms for Mass.

Our school musical, *Beauty and the Beast*, will take place at Bishop Fenwick High School on April 25 and 26. Please save the date!

Family Math Night will be held on Thursday, May 2 from 6:00 pm until 7:30 pm. This will be a fun evening for the whole family. In addition to interactive math activities, we will have Spirit Wear, a raffle, Treadwell's ice cream sundaes and pizza for sale. Parents may also fill out CORI's for the 2019-20 school year. All proceeds support the Joanne Barnes Scholarship Funds.

The CORI procedure requires that volunteers present identification when completing the form. You may bring the completed form to the office any school day between 8 am and 3 pm during the month of April or from 6:00 pm until 7:30 pm on May 2. Please be sure to bring your license with you. Remember, CORI's must be filed for every volunteer each year. Parents may not volunteer for any school activity without completing this process.

Congratulations to all our sports teams: girls and boys JV and varsity basketball for very successful seasons. Our sincere thanks to their dedicated coaches and the parents who made the arrangements and sacrifices to support our school teams. We especially wish to recognize our Athletic Directors, Carolyn Spooner and Maureen Lovett, for their tireless work on behalf of our students.

Kindergarten screening will take place on April 26. You will be receiving notification of times and location soon.

We thank all our contributors to our Annual Fund this year. Please remember that your tax deductible donation enables St. John's to continue excellence in education. These annual gifts not only bridge the gap between the per pupil cost and tuition, but also provide many of the extras that make the St. John's experience rise above others. Your gift, in any amount, will benefit each and every student.

As always, thank you all for your continued support of the mission of Catholic education and St. John's School.

Sincerely,

Maureen J. Kelleher
