

Grade Songs and Costumes

We are very excited for this year's production of "Beauty and the Beast JR.!" It is so wonderful to have every student in SJS be a part of the show. Every class will be singing a song from the show, as well as be in a whole school number. We hope that all students will be able to join us in performing both nights at Bishop Fenwick on May 2nd and 3rd. Students are expected to arrive at 5:45/6PM (more detailed information will be coming home after vacation.) Below, please find your student(s) class and what costume they should wear for their song. We do not intend for you to have to go out and spend money on these costumes. We hope you can find items your child already has or that you can borrow. You can be as creative as you would like to be. If students want to accessorize (hats, hair pieces, etc.) they just need to make sure it will not block other students. Please remember the time frame of this show. There should be no shirts with logos or slogans that would represent 2019.

We look forward to seeing you at the show!!
